Year 2 Autumn 1 Homework

Dear Children and adults,

Welcome to first half termly homework! It is really important that the children sleep well, eat healthily and enjoy resting in their home. However, Maths, Reading and Spelling are important ongoing tasks to practise at home in addition to their work in school. Below also details some ideas for children to further develop their understanding of our topic, which this term is Around the World. The tasks can be completed by the children on their own or with an adult. Thank You in advance.

From Miss George and Miss Barnett

DATES

Date set:
WB: 8th September 2023
Date Due:
WB: 16th October 2023

MATHS

Weekly tasks are set on Mathletics. Please make sure you log in to complete the tasks set. Certificates will be given during Friday's celebration assembly. Our focus this half term is place value and recognising numbers, with aim of being able to write them in numerals and words.

READING

Reading Eggs is a platform similar to Mathletics. It supports children with reading and phonics. We will set the children tasks on a weekly basis. Please also remember to read for at least 10 minutes each day and get an adult to sign your reading book. We will change books weekly. We are happy to change books midweek if requested.

WRITING AND TOPIC

You have this scrap book to use to complete your home-work project. Over the next six weeks complete some of these activities or make some up of your own.

WRITING TASKS

Write an interesting fact about each continent.

Research the countries in the United Kingdom and create a Fact File on what they are famous for.

CHALLENGE!

Why don't you try writing a report about a country that is special to you.

In science we are learning about animals including humans and life cycles. Why don't you create your own life cycle craft.

PLACES YOU COULD VISIT

In English we are reading and retelling A Walk in London, Why don't you visit the famous landmarks including Big Ben or the London eye!

SPELLINGS

We have attached the spelling list for year 2. Please use this list to support your child in learning their spellings. We will check they are spelling them correctly in their work. In Year 2 we also need to learn how to write numbers to 100. Why don't you have a go.

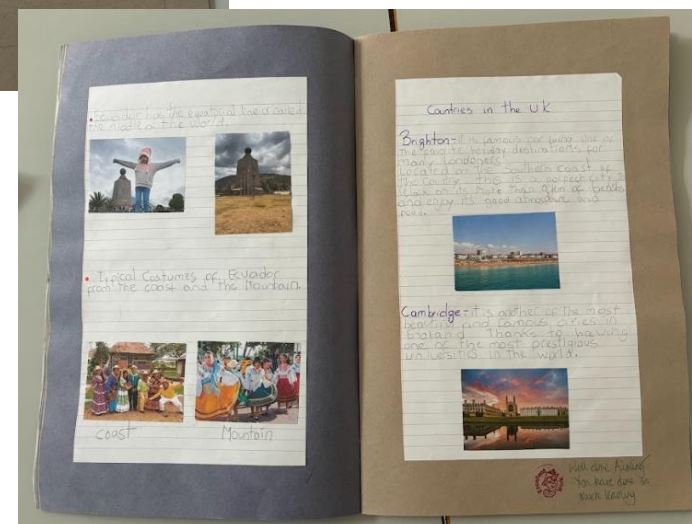

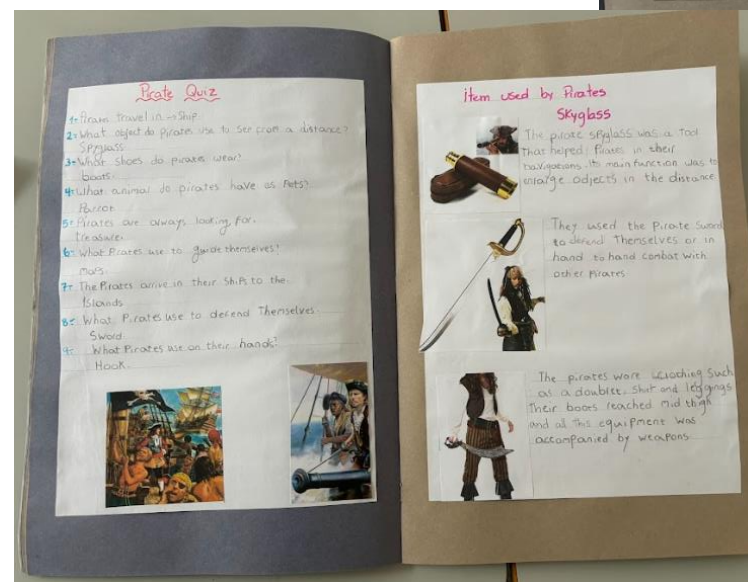

PHONICS

In KS1 working between phase 2 and 5. We are revisiting all the phonics sounds to help us with our reading and spelling. You can use this YouTube link with lessons on how we teach phonics at Grange. Have a go at practicing your sounds.

Reading

- Each child has received a levelled reading book, a reading record and a reading for pleasure book. They must bring these to school everyday.

R.E. and PSHE

- Both of these subject are compulsory subjects but we recognise that both can be sensitives to our families.
- This year in R.E. we will be learning about; being respectful towards religion, giving thanks, what is a Prophet? And places of worship
- In PSHE, we will be learning about; celebrating our differences, seeing things from other perspectives, what to do if we witness bullying, managing our feelings, keeping our bodies healthy, family stereotypes and how our body changes as we grow.
- If you have any further questions please speak to Miss Benjamins.

KEEPING KIDS SAFE ONLINE RIGHT NOW

**TOP
TIPS**

1. SET UP PARENTAL CONTROLS

Check your settings are up to date and controls are applied on all devices and apps.

2. SUPERVISE ONLINE ACTIVITIES

Ensure online activities are supervised by an adult and in a public space in the house. E.G - Living/Dining Room.

3. SET CLEAR EXPECTATIONS

Talk about expectations for behaviour online, including how and when devices will be used.

4. TALK ABOUT IT

With the schools closed, online activities will increase. Let your children and young people know they can talk to you about anything that happens online.

5. GO ONLINE TOGETHER

See if you can share online experiences by joining in with their favourite app/game.
