The United Kingdom

WRITING AND TOPIC
Our topic this term is 'Britain and Beyond'. We will be learning all about the UK and comparing it to other countries. You have a scrap book to use to complete your homework project. Over the next six weeks complete some of these activities or make some up of your own.

Try to complete at least one of these writing tasks:

- Write a magazine article encouraging someone to visit an area in England. You could research an area where you haven't been before to learn something new!
- Write a fact file about a physical feature in the UK e.g. a river or a mountain.
- Interview a family member or friend who grew up in another place. Can they compare it to London and how it is similar and different?

Other activities:

- Draw or paint a landscape in the UK e.g. the Peak District.
- Make a model of a coast line or small village.
- Research 3 countries and compare them to the UK.
- Plan and budget an imaginary holiday to somewhere in Europe!

We look forward to a great year together. Please reach out to us if you have any questions - Miss Hall
