Dear Children and adults,

As Year 3 settle back into the school routine, it is really important that they sleep well, eat healthily and enjoy resting in their home time. However, Maths, reading and spelling are important ongoing tasks to practise at home in addition to their work in school. Below also details some ideas for children to further develop their understanding of our topic, which this term is Our Local Area. The tasks can be completed by the children on their own or with an adult.  
Thank you.

## MATHS

Weekly tasks are set on Mathletics. Please make sure you log in to complete tasks set. Certificates will be given during Fridays celebration assembly.

Remember to revise your number bonds and multiplication tables as well!
