In this Puzzle (unit) the children talk about being part of a team. They talk about attitudes and actions and their effects on the whole class. The children learn about their school and its community, who all the different people are and what their roles are. They discuss democracy and link this to their own School Council, what its purpose is and how it works. The children talk about group work, the different roles people can have, how to make positive contributions, how to make collective decisions and how to deal with conflict. They also talk about considering other people's feelings. They refresh their Jigsaw Charter and set up their Jigsaw Journals.
