A Message from our Headteacher

Dear Parents,

It has been a wet and windy week and we have had multiple days of wet play! The children have been working hard and starting their new topics. Please make sure you take the time to question them on their learning and find out what they have been learning about at home! By now you should have received this term's class newsletter and homework tasks. If you have not seen these please speak to your child's class teacher.

Parent Workshops / Events

This term we will be running the following parent workshops. Please add the dates to your diaries.

23rd Jan – Fussy Eaters – Workshop for parents

30th Jan – Yr 6 SATs workshop for parents

4th Feb – Yr 1 phonics screening check

6th Feb – EYFS Number Day celebration event

13th Feb – Whole school Tutorial Day

Food Action Fussy Eaters!

On Friday 23rd January we will be joined by our colleagues from Food action. They will be running a workshop for parents who have children that are fussy eaters or have a SEND need and only eat certain foods. If this is something you think will help and support you at home, please join us at 9.05am in the old nursery building to get practical tips and advice. We look forward to seeing you all there!

Everything Maths

Next week the senior leadership team will be completing a learning walk for maths. We will be looking at lessons, speaking to the children and checking progress in maths books. This is a great way to see what is happening in classes and spend time with your children. We love hearing how children solve challenges and work collaboratively to work out mathematical problems.

Cycle Confidence

We are very pleased to welcome Cycle Confidence team back to Grange. They will be working with a selection of Year 5 and 6 children next week teaching them how to stay safe when cycling on the roads to and from school. Children will complete the cycling proficiency course and if successful be awarded a certificate and badge for the level they achieve. Thanks to Miss Oliva Abrahams for organising this event.

Student Teachers

We will be joined this term by Miss Ellie Bingham and Miss Natasha Morrison Osbourne who will complete their final teacher training placement with us. Miss Bingham will be working with Galaxy class and Miss Morrison Osbourne will be working with Earth class. Please make both teachers feel welcome.

Online Safety Tip of the Week

Sharing Personal Information Online:

Does your child know what information is okay to be shared

online and what should be kept private?

When children are accessing the internet via gaming and social media apps, they may be sharing information they shouldn't. It is important to have conversations at home to remind children of what can be shared and what should remain private.

CEOP (Child Exploitation and Online Protection) has some useful advice and some key questions to help parents start conversations at home:

What information is it okay to share with a trusted friend or family member?

What information would you be happy for a stranger to know?

What information is personal?

What different online places is it okay to share personal information?

Is what we might share in an email the same thing that we would want shared in a public space like a social media app?

For more information about how to talk to children about sharing information online, please visit:

<https://www.thinkuknow.co.uk/parents/articles/parents-guide-to-personal-information2/>

For KS1 children, BBC Bitesize have made accessible resources, including a quiz:

<https://www.bbc.co.uk/bitesize/articles/zwbq7ty>

Class Oracy Assemblies

We are excited to invite you to our class oracy assembly next week on Monday 19th Jan. This week Venus class will hold their special oracy assembly. This assembly will focus on presenting skills. We will be supporting your children when speaking in front of an audience by teaching them about stance, voice projection, clarity of voice and tone and performing to an audience. The assembly will last between 10 – 15 minutes and we welcome parents from the performing class to attend.

We hope you have a great weekend and look forward to seeing you all next week. See you on Monday at **8.50am**.

Rebecca

Word of the Week

The word of the week this week is "fatigue". Please spend some time discussing this word with your child.

Shinobi Word of the Day

Word of the Day: fatigue **Word Class:** (noun)

Pronunciation / Syllables: (fa-tigue)

Definition:

Fatigue is a feeling of extreme physical or mental tiredness.

The long days staring at the screen were **fatiguing.**

Synonym: tiredness
Antonym: energy
Prefix / Suffix: -ed
Rhyme: league
Link Word: acute

Synonym: exhaustion
Antonym: vigour
Prefix / Suffix: -ing
Rhyme: intrigue
Link Word: persistent

Value of the Week

The value of the week this week was "Cooperation". Please take some time over the weekend to discuss this value with your children.

"I have never scored a goal in my whole life without getting the ball from someone else" (Abby Wambach)

Happy Birthday to You!

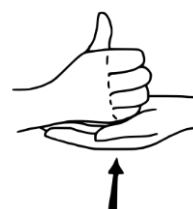

First Name	Age	Class
Alice	Aurora	11
Billion	Planet Earth	7
Anes	Aurora	11
Sophia	Neptune	10
Ivana	Sun (Moon)	4
Amelia-Rose	Sun (Star)	4

Makaton Word of the Week

Along with our word of the week, our children will now be learning some sign language. We have many pupils at Grange that are non-verbal and one of the ways in which we communicate with them is to use sign language. We want all our children to be able to communicate with each other so felt that teaching our children to sign would help this. Please help us to learn together by practising this with your child at home.

Class Gallery

Year 4 – Galaxy Class

Galaxy class have been learning about the Tudors and created a collaborative picture of the famous monarch King Henry VIII.

Year 6 – Aroua Class

Year 6 have been learning about cold blooded vertebrates during their science lessons this week.

Challenge: Let's try to classify the cold-blooded vertebrate groups using their common characteristics?

Learning Objectives:

- I can define the term vertebrate
- I can name the vertebrate groups
- I can describe the characteristics of fish, amphibians, reptiles.

Assessment:

Working towards	Independent	Date: 11.01.26
T/T/A	Support	
Did not achieve	Planned group	

Key Vocabulary: Vertebrate, fish, amphibian, reptile, classification key & cold-blooded

Lesson Summary: Cold-Blooded Vertebrates Research

In this lesson, children worked in groups of three to research and learn about the characteristics of cold-blooded vertebrates. Using the Cold-Blooded Vertebrates poster and a set of Cold-Blooded Vertebrates research cards, they explored the three main groups of cold-blooded vertebrates.

Each group created a poster featuring labelled diagrams of an organism from each group, along with key details about their skin, reproduction, breathing, and blood.

Amphibians

Amphibians skin needs to stay always moist, as it gets dry the animal will pass away.

eg. spawn is what the jelly coated eggs are.

the are used when they grow up but as they grow up the develop.

COLD-BLOODED

Vertebrate:

Fish:

- 5 groups are in the vertebrate group and one of these is the fish group.
- They don't breathe with lungs.
- They have scales and skin.
- They lay eggs.
- They have cold blood.

Types of fish:

Eel:

- The gills help pull the oxygen into the water.
- Scales are a form of protection that grow from the fish's skin.

Seahorse:

Shark:

Fish:

Skin:

- They have small scales & skin.
- Breathe with gills.
- Cold blooded.

Breathing:

Fishes (sharks, eels, seahorses etc.) breathe through gills which are usually at the side of the body making it easy to breathe underwater!

Eg of fish: Clownfish, Seahorse, shark and more!

Amphibians:

Skin:

- Smooth moist skin.

Blood:

- cold-blooded.

Breathing:

Amphibians (Axolotl, Axolotls, newt, frogs etc.) breathe through gills, lungs or skin.

Reptile:

Skin:

- They have scaly dry skin.
- Blood: cold blooded.

Breathing:

Reptiles (snakes, turtles, lizards etc...) to breathe with their lungs.

Extra info:

Since Reptiles are cold blooded they usually sun-bath in the morning.

Riddle

I am scaly I am small and when I grow up I'm not tall. I have orange, I'm not funny any where.

What am I?

(clownfish)

Rewards

Years EYFS, 1 & 2

Core Value: **Cooperation**
Year 1 and Year 2

Class:	VIP of the week	Reason for Award:
VENUS	Dottie	For working well with her group to learn the actions of the story.
EARTH	Earth Class	For working fantastically together to practice for our class sharing assembly.
MARS	Amelia	For her fabulous discussions and group work this week
Class	Writer of the week:	Reason:
VENUS	Dahen	For writing good sentences with finger spaces and good spellings.
EARTH	Sheka	For a fabulous rewrite of Goldilocks and the 3 Bears
MARS	Lainey	For having such a brilliant attitude towards her writing
Class	Mathematician of the week:	Reason:
VENUS	Airat	For creating 2D shapes using sticks and confidently saying their properties.
EARTH	Norrisa	For excellent understanding of 2D shapes and their properties
MARS	Nasir	For using our sentence stems to reason about shape
Class:	Reader of the week:	Reason for Award
VENUS	Deqa	For reading fluently in lessons including unfamiliar words.
EARTH	Fatima A	For amazing effort in her reading this week.
MARS	Harrison	For his fabulous fluency when reading

Rewards

Years 3 to 6

Core Value: **Cooperation**
Years 3 to 6

Class:	VIP of the week	Reason for Award:
JUPITER	Rahim	For trying hard to work as part of a group.
GALAXY	Roman	For always working together with everybody else
SUPERNOVA	Royce	For trying his best in all his learning
NEPTUNE	Arman	For being a helpful member of the class.
AURORA	Ousman	For working well with others
SKY	Cheryl	For working great in a team in PE
Class	Writer of the week	Reason
JUPITER	Ka'Shuan	For his brilliant dialogue sentences.
SUPERNOVA	Isabella	For writing a creative winter poem
GALAXY	Nyima	For a great settings description!
NEPTUNE	Jannat	For trying hard to use multi-clause sentences.
AURORA	Stephen	For his excellent work on the Greeks
SKY	Jimmy	Using progressive verbs in his writing
Class	Mathematician of the week:	Reason
JUPITER	Jake	For his brilliant effort in maths.
GALAXY	Suleman	For great work on multiplication!
SUPERNOVA	Amir	For explaining his reasoning clearly
NEPTUNE	Eimy	Fantastic effort comparing fractions.
AURORA	Toddreic	For his excellent work on percentages
SKY	Shyla	Great work converting fractions into percentages and decimals
Class:	Reader of the week:	Reason
JUPITER	Ra'el	For confident and clear reading during our guided reading sessions.
GALAXY	Enzo	Reading confidently and clearly!
SUPERNOVA	Santana	For confidently reading out loud in class
NEPTUNE	Liam	For excellent effort in signing his reading record every day.
AURORA	Alara Marie	For her excellent answers during guided reading
SKY	Mohammed	For reading confidently and clearly

Parent/ Carer Information and Support

To encourage healthy eating in packed lunch boxes and snacks after school we will be publishing a healthy recipe each week.

This week we thought you would enjoy;

Cheesy coleslaw with wholemeal pitta recipe

**Crunchy, cheesy coleslaw in a pitta makes a change from traditional sandwiches.
Try serving with 5 cherry tomatoes and a small box of raisins.**

Prep: 10 mins

Serves 1

Ingredients

- 1 teaspoon reduced-calorie mayonnaise
- 1 tablespoon low-fat Greek style yoghurt
- 1 thin slice of white cabbage, shredded (to give a handful)
- 1 small carrot, grated
- 2 spring onions or a slice of onion, chopped
- 20g reduced-fat cheddar cheese, finely chopped or grated
- Parsley, chopped (optional)
- 1 large wholemeal pitta bread

Method

In a bowl, mix together the mayonnaise and yoghurt.

Add the vegetables, cheese and parsley (if using).

Mix well.

Carefully split open the pitta bread and fill with the coleslaw.

Information:

Simply double the quantities if you have 2 lunchboxes to prepare.

AUTISM SUPPORT TEAM TOILET TRAINING FOR PARENT/CARER ONLY

HOW TO SUPPORT YOUR AUTISTIC CHILD TO DEVELOP TOILETING SKILLS

In partnership with the Autism Education Trust (AET) we are offering Developing Toileting Skills Training for Parent + Carers of autistic children.

Aims:

- To develop knowledge of how to support autistic children to achieve toileting independence.
- To understand the importance of working with others to support autistic children to develop independent toileting skills

Learning objectives:

- Understand how autism can impact on children developing independent toileting skills.
- Understand the importance of all adults working together to support the development of independent toileting skills.
- Consider how to remove barriers to developing toileting skills and how to make reasonable adjustments to support further toileting independence.
