

Y5 Homework: Summer 1

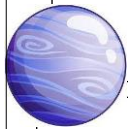

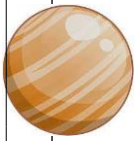

NEPTUNE CLASS

DATE SET:
Friday 17th April

DATE DUE:
Monday 3rd June

Dear parents and carers,
This half term, we will be learning about the Maya and would love the children to come in and share any learning they do at home to support our topic! We have been really impressed with the quality of work happening to home and can't wait to see the creativity that will come from our new topic.
Thank you for your ongoing support.
Miss Hall

Maths homework is uploaded to Mathletics each week on Friday and needs to be completed. All learning on Mathletics reinforces the topic that we are learning in class and helps us to support children and identify gaps.

READING:

Remember to read each day and get an adult to **sign** your reading record

WRITING AND TOPIC

This term we will be learning all about the Maya. Complete some of these activities or make up your own

Try to complete at least one of these tasks related to our topic:

1. Can you design and create your own Maya headdress? Write a paragraph about why they wore them.
2. Can you write your own Maya myth? What kinds of characters will you include? Write or type your myth.
3. The Maya loved chocolate. Can you find out about how chocolate is made? Draw a flow chart to show the process of making chocolate. You could use pictures and diagrams to help.
4. Can you research a Maya city? What can you find out about it? What was it like? Write a fact file about it.
5. Create a large timeline of major events that occurred during the Maya civilisation.
6. Create Maya bunting. Put information about various aspects of the Maya civilisation on each flag.

We look forward to another great term together. Please reach out to us if you have any questions or require clarification.

Ms Cormier and Miss Liddle

Topic words:

evaluate
 hypothesise
 chronology
 Cenote
 City-state
 Pre-classic Period
 Post-classic Period
 Pyramid
