A Message from our Headteacher

Dear Parents,

We have had a much cooler week this week and the children have been back to normal. Our KS2 dance troupe were triumphant in the PESSN Dance competition for the third year in a row and brought home the trophy, well done to all of the troupe and Miss Leena George. Our gifted and talented art group visited the Tate with Miss Khaleda and some of our Year 5 and 6 children attended a Swim Gala in Dulwich.

Important Information Regarding Year 6 SATs results

A letter was sent today regarding the SATs results. Schools were due to receive results on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available on 16 July 2026.

We know and share that this is frustrating and we will endeavour to check the results and get them to you before Thursday 17th July. This delay won't get in the way of celebrating everything your child has achieved at the end of their primary school journey.

Hot Weather

The weather is due to rise again next week and on Friday reach 30 degrees. Due to the rise in temperature, we have moved our carnival to 10am so that we can parade before temperatures rise. Our summer fair will continue to be held at 3.30pm so families can come and go as they please and the children will not overheat. All children will take part in the parade and we hope you will join us. After the parade they will all come back to school to cool off before lunch. Lessons will take place in the afternoon before we open the gates for our summer fair.

House Winners

Congratulations to Harris House who won the house prize for the final term. Thanks to all the school adults who attended the trip the pupils had a great time at Greenwich Park on Wednesday!

Class Parties and food donations

As we approach party time at school where children will be invited to bring in things for the parties, please do not bring any food items that may contain nuts. We are a nut free school. We have children and staff who are allergic to nuts and any contact with nuts could be fatal.

Online Safety Tip of the Week

Online Gaming and Neurodivergence:

In April, Internet Matters, in partnership with Roblox, published a report of their study about neurodivergent young people's relationships to online gaming. The report found that neurodivergent young people spend a lot of time playing online games: 93% play Roblox, over 9 in 10 are playing video games with other people online, over 9 in 10 are playing video games by themselves offline and more than 4 in 5 are making their own content online, e.g. livestreaming themselves as they game. They found that there were lots of benefits for young people from gaming online (it makes them happy, improves communication and they make friends online), and that most young people had an awareness of online safety and how to get help. The findings helped Internet Matters and Roblox find better ways to support young people and their carers to stay safe while gaming online. Here are some short videos, aimed at young people who are neurodivergent, to help understand how to stay safe online:

A more detailed summary, and the full report, can be found at: <https://www.internetmatters.org/hub/research/neurodivergent-young-peoples-experience-video-games/>

Summer Fair and Carnival procession Friday July 10th

Please come and help us celebrate the end of another successful academic year on Friday 10th July. The events will begin at 10am with our carnival procession. The children have already begun to create spectacular carnival masks, banners and items to parade with. Join us and hear our amazing Year 6 samba band as we parade around the local area. At 3.30 the gates will open for our fabulous summer fair. Hot dogs, ice creams, traditional local foods, face painting, bouncy castle, candy floss, toy stalls and our famous raffle will all be available plus loads more for you to enjoy! We look forward to seeing you all there. **If you can help on the day by donating food to sell or running one of the stalls, please email the office or let a member of SLT know.**

I hope you have an enjoyable weekend, and we will see you all on **Monday 6th July** at 8.50am.

Word of the Week

The word of the week this week is "drought". Please spend some time discussing this word with your child.

Grasshopper Word of the Day

Word of the Day: drought
(drought)

Word Class
(noun)

Pronunciation / Syllables

Definition:
A drought is a long period of time during which no rain falls.

The drought was a huge problem.

Synonym: dry spell dehydration	Antonym: abundance surplus	Prefix / Suffix: -s	Rhyme: without doubt	Link Word: severe impending
---	---	-------------------------------	-----------------------------------	--

The value of the week this week was "hope". Please take some time over the weekend to discuss this value with your children.

"Learn from yesterday, live for today, hope for tomorrow" (Albert Einstein)

Happy Birthday to You!

Name	Class	Age
Samir	Sun (Moon)	4
Mohamed	Sky	11
Luciana	Galaxy	9
Nyren	Venus	6

Makaton Word of the Week

Along with our word of the week, our children will now be learning some sign language. We have many pupils at Grange that are non-verbal and one of the ways in which we communicate with them is to use sign language. We want all our children to be able to communicate with each other so felt that teaching our children to sign would help this. Please help us to learn together by practising this with your child at home.

Parent/ Carer Information and Support

To encourage healthy eating in packed lunch boxes and snacks after school we will be publishing a healthy recipe each week.
This week we thought you would enjoy;

Chickpea Fritters

Prepare

10 mins

Cook

10 mins

Serve

Ingredients

- 1 red pepper diced
- 2 shallots diced
- 2 carrots grated
- 2 cloves of garlic grated
- peel of 1 lemon grated
- 1 thumb size piece of ginger peeled and grated
- 1 x 400g can of chickpeas drained
- 1 tsp garam masala
- 1 tsp cumin
- 1 tsp ground coriander
- 3tbsp plain flour
- 1 egg
- 30g fresh coriander chopped
- vegetable oil for frying
- **For the tzatziki**
- half a cucumber grated
- 1 clove of garlic grated
- 150g Greek yoghurt

Method

1. Combine the red pepper, shallots, garlic, lemon peel and ginger in a large bowl. Squeeze the carrots to remove the excess juice then add to the bowl.
2. Place the chickpeas in a food processor and whizz for a few seconds until broken down and crumbly. You don't want a puree so don't blend too far. If you don't have a food processor just crush with chickpeas with the back of a fork.
3. Add the chickpeas to the bowl along with the garam masala, cumin and ground coriander.
4. Add the egg and mix well then sieve over the flour and mix again.
5. Shape into small discs and fry for around 3 minutes a side in a little olive oil.
6. When cooked remove and place on kitchen paper to cool.
7. To make the tzatziki combine the cucumber, garlic and yoghurt in a bowl. Top the fritters with the chopped coriander.
