OUR MISSION

Our school and curriculum empower pupils to be advocates and agents of change for a more sustainable world.

OUR MISSION

- We are imaginative: we dream, read and travel.
- We are inquisitive: we listen, question and challenge.
- We are disciplined: we improve, hone and practise.
- We are collaborative: we share, connect and support.
- We are persistent: we dare, struggle and stick at it.

OUR AIMS

- Prioritise mental health and wellbeing
- Help everyone find joy in learning, feel safe to make mistakes and know when they are successful
- Have a curriculum that represents local, national and global diversity
- Recognise everyone's role in the future of the world and its climate
- Make a place where difference and diversity are valued
- Link learning to the world of work
- Make pupil, family and staff voices integral to our planning
- Nurture creativity through the arts
- Sustain a culture of reading for pleasure
- Ensure our pupils play safely, demonstrate our school values and build resilient friendships
