

YEAR 5 Homework: Autumn 1

NEPTUNE CLASS

DATE SET:
Friday 4th September

DATE DUE:
Friday 23rd October

Dear children and adults,

Welcome to Year 5! We are so excited for a year of learning together in upper key stage 2. It is important that any learning we complete in school is supported by work at home; even a little bit of reading and maths each day can make a huge difference. Please see below activities and tasks you can complete throughout the half term and do let us know if you have any questions or require further guidance.

Miss Hall

MATHS

Maths homework is uploaded to Mathletics each week on Friday. A trophy is given in assembly for achievement, so do your best! All learning on Mathletics reinforces the topic that we are learning in class.

READING

Remember to read each day and get an adult to sign your reading record. Try to discuss the book with an adult or sibling and see if you can answer some questions about what you have read. Have fun 😊

The MORE
that you read,
the MORE things
you will know.
The MORE that you
Learn,
the MORE places you'll go.

WRITING AND TOPIC

Our topic this term is 'Britain and Beyond'. We will be learning all about the UK and comparing it to other countries. You have a scrap book to use to complete your homework project. Over the next six weeks complete some of these activities or make some up of your own.

Try to complete at least one of these writing tasks:

1. Write a magazine article encouraging someone to visit an area in England. You could research an area where you haven't been before to learn something new!
2. Write a fact file about a physical feature in the UK e.g. a river or a mountain
3. Interview a family member or friend who grew up in another place. Can they compare it to London and how it is similar and different?

Other activities:

1. Draw or paint a landscape in the UK e.g. the Peak District
2. Make a model of a coast line or small village
3. Research 3 countries and compare them to the UK
4. Plan and budget an imaginary holiday to somewhere in Europe!

We look forward to a great year together. Please reach out to us if you have any questions - Miss Hall and Mr Hubbard
